# agility<sup>TABLET SYSTEM</sup>

Change the way you look at your tablet.

Welcome to the Agility tablet system. Each part of this integrated system works alone — and in harmony — to make your tablet part of daily life. Work, home, school, on the go and in between, Agility is the ability to use your tablet — your way.

## HANDS-FREE CONVENIENCE

Agility tablet system holds your tablet so you don't have to. Attach the Agility Shell seamlessly to a Folio, Wall Mount or Dock for the most convenient hands-free capability.

## ENDLESS COMBINATIONS

Create your perfect mounting system by choosing the accessories that work best for you. One shell and a host of accessories makes for endless possibilities at home and on the go.

## TRUSTED PROTECTION

Featuring a streamline design and tough protection from drops, bumps and shocks, Agility tablet system gives you something nothing else can — confidence knowing your device is protected by the No. 1-most trusted case brand in smartphone protection.\*

## SHELL

As the foundation of your Agility tablet system, the Shell delivers drop protection and integrates your Agility accessories into one harmonious system.

## PORTFOLIO

Folding to provide protection around your entire tablet, the Portfolio also converts into a multi-position stand for 10 different views in landscape and portrait, typing and viewing and the magnetic closure provides auto shut-off for Apple tablets.

## FOLIO

The Folio is a slim tablet case that converts into a stand. It closes to protect your tablet's sensitive touchscreen, folds into a 2-position stand for typing and viewing and the magnetic closure provides auto shut off for Apple tablets.

## DELUXE FOLIO

Pack everything you need with the Deluxe Folio. It folds around your entire tablet with a magnetic closure for auto shut-off on Apple tablets and protects your tablet's sensitive touchscreen with soft microfiber. It works as a multi-position stand, boasts pockets to carry headphones, Bluetooth keyboard and charger, plus is easy to carry with the removable shoulder strap.

## WALL MOUNT

Secure your tablet right where you need it. The Wall Mount attaches to any vertical surface with 3M Command Strips for quick, clean removal and repositioning (additional Command Strips available at your local hardware store). Hang a Wall Mount in every room where you like to use your tablet — the kitchen, the garage and even the bathroom.

## DOCK

Create a home base for your tablet in any room with the Agility Dock. It adjusts to the perfect angle and holds your tablet in landscape and portrait views. Pair the Dock with the Power Base to create a home base charging station for your tablet and other devices.

## POWER BASE

Place the Power Base on your desk, night stand or counter for the perfect charging destination for your tablet and other devices. It keeps cords out of sight and charges three devices simultaneously. Add to your Power Base the Dock and you've got the perfect technology hub for your home or office.

## POWER DOCK

Combine the Agility Power Base and Dock for the ultimate technology hub. Agility Dock sits on top of the Power Base for hands-free use and charging a mix of up to three Apple and Android devices.
