

PopSockets

1. **PopSockets Grip** for the OtterBox uniVERSE Case
2. Key Features:
 - Use your phone better - better grip, better stand, better selfies, better photos.
 - PopSockets “pop” whenever you need a grip, a stand, or an earbud management system.
 - And with the PopClip companion product, they mount to nearly any vertical surface, including dashboards, mirrors, bed posts, refrigerators, and walls, for convenient hands-free viewing.
 - Low profile, compact design
